

Springfield Area Adult Day Service

A SERVICE OF SPRINGFIELD HOSPITAL

Where People Come First

June 1, 2024

Dear Client/Caregiver/Legal Representative,

Effective July 1, 2024, Springfield Area Adult Day Services (SAADS) will be charging \$25.75/hour for services. As per government Standards for Adult Day Services, we are not allowed to charge any less than the current Vermont Medicaid rate, which is increasing to \$25.75/hr, effective July 1, 2024.

We have enclosed a copy of Springfield Hospital Financial Eligibility Form should you feel eligible for financial assistance, the Springfield Hospital Sliding Fee Schedule for Adult Day Services, and SAADS' Fee Policy for your review and completion. We understand that personal finances change, and you may be eligible for assistance if you weren't previously. If you would like to meet with someone from SAADS to discuss financial assistance, please call us at 802-885-9881, and we will be happy to discuss it with you.

Please sign, date, and return the form REGARDLESS of financial assistance eligibility, and please let us know how you want invoices to be sent via USPS or via email, so we may serve you better.

We appreciate your prompt attention to this matter, and if you have any questions or concerns, please don't hesitate to contact me via phone or email.
